### Job Purpose

This is a training role within the Children and Young Mental Health programme (CYP-MH). The post-holder will be employed by either Croydon Drop In or Off The Record delivering, under supervision, high-quality; brief outcome focused evidence-based interventions and guided self-help for children and young people experiencing mild to moderate mental health difficulties.

The training and service experience will equip the post holder with the necessary knowledge, attitude and capabilities to operate effectively in an inclusive, value driven service.

The post holder will attend all university-based taught and Onsite Protected Learning Time required by the education provider, as specified within the agreed national curriculum and work in the service for the remaining days of the week using your newly developed skills.

### Overview of Role:

Croydon Drop In and Off The Record have two exciting opportunities to join our Mental Health Support Teams in 2023. The Children and Young People's Mental Health programme (CYP-MH) is a service transformation programme delivered by Health Education England and partners that aims to improve existing children and young people's mental health Services (CYP-MHs) working in the community. Children's Wellbeing Practitioner training will benefit from being integrated fully within CDI and OTR. The post-holders will be undertaking the Postgraduate Diploma in Children's Wellbeing Practice at Kings College London and carrying out clinical work in our services to complement your studies and use your skills.

### Main Duties and Responsibilities of the role:

1. Working within Croydon Drop In or Off The Record to assess and deliver, under supervision, outcome focused, evidence-based interventions to children and young people experiencing mild to moderate mental health challenges.
2. Working in partnership, support children, young people experiencing mild to moderate mental health challenges and their families in the self-management of presenting issues and in the development of plans for the intervention and agreed outcomes.
3. Support and empower children, young people and families to make informed choices about the intervention.

4. Operate at all times from an inclusive values base, which recognises and respects diversity.
5. Accept referrals within agreed national and local protocols.
6. Undertake accurate assessment of risk to self and others.
7. Adhere to the CDI & OTR referral protocols. Under supervision, signpost unsuitable referrals to the relevant service as necessary.
8. Through close case management and supervision, escalate cases where the level of need becomes beyond scope, or more severe ensuring adherence to other relevant elements of service delivery.
9. Provide a range of information and support for evidence based psychological treatments, primarily guided self-help. This work may be face-to-face, by telephone or via other media.
10. Adhere to an agreed activity contract relating to the overall number of children and young people contacts offered, and sessions carried out per week in order to improve timely access and minimise waiting times.
11. Attend multi-disciplinary meetings relating to referrals or to CYP, where appropriate.
12. Keep coherent records of all activity in line with CDI & OTR protocols and use these records and outcome data to inform decision making. Complete all requirements relating to data collection.
13. Assess and integrate issues relating to transitions, education and training/employment into the overall therapeutic process.
14. Work within a collaborative approach involving a range of relevant others when indicated.
15. Work in collaboration with children, young people and communities to enhance and widen access.

### **Training & Supervision**

16. Attend and fulfil all the requirements of the training element of the post including practical, academic and practice-based assessments.
17. As well as attendance at the University for training, fulfil private study requirements to enhance learning and prepare assignments for examination, for at least one day a week.
18. Apply learning from the training programme to practice.
19. Receive practice tutoring from educational providers in relation to course work to meet the required standards.
20. Prepare and present case load information to supervisors within the service on an agreed and scheduled basis, in order to ensure safe practice and the governance obligations of the trainee, supervisor and the service are delivered.

21. Respond to and implement supervision suggestions by supervisors in practice.
22. Engage in and respond to personal development supervision to improve competences and practice.

### **Professional**

23. Ensure the maintenance of standards of practice according to the employer and any regulating bodies and keep up-to-date on new recommendations/guidelines set by the relevant departments.
24. Work within our Confidentiality Policy to ensure that confidentiality is protected at all times.
25. Ensure clear objectives are identified, discussed and reviewed with supervisor and senior colleagues on a regular basis as part of continuing professional development.
26. Participate in individual performance review and respond to agreed objectives.
27. Keep all records up to date in relation to Continuous Professional Development and ensure personal development plans maintains up to date specialist knowledge of latest theoretical and service delivery models/developments.
